

## **Adoption Resource Exchange Youth Questionnaire**

The Adoption Resource Exchange (A.R.E.) is a website listing youth that want to be adopted. The website is also a resource for families who want to adopt youth. A youth's listing includes a photo as well as a short "narrative." The narrative is a brief description of what you want families to know about you. What do you like to do, your favorite things and what are you looking for in a family?

You are encouraged to write your own narrative for the listing. We have provided this questionnaire to help you know what information to include. If you want someone to write your narrative, complete this questionnaire to help us know what you want the family to know. You don't have to answer all the questions, and you are welcome to add additional information, The more information you provide the more a family will learn about you.
